## Charging and Remissions Policy

Approved: February 2020

Review: February 2021

## **1. Charges**

- No charges will be made for any school activities that are part of the funded National Curriculum. The school will seek voluntary contributions for additional activities that seek to enrich and extend the curriculum and for activities that take place outside of the school day.
- No pupil will miss out on an activity/opportunity because parents/carers are unable to make a voluntary contribution. The school may have to cancel/curtail these enriching/additional activities if insufficient voluntary contributions are received.
- Some activities may be part-funded for eligible pupils using 'Pupil Premium' funds.

## **2. Voluntary Contributions – Educational Visits**

- The school will ask for voluntary contributions to be made towards the costs of any educational visits, whether during or outside school hours, residential or non-residential. The school will always seek to minimise these contributions through the use of free transport (KS2 classes) or by combining year groups to achieve economies of scale.
- The current (2020) maximum requested contribution is up to £13.75. Costs above this amount are funded by the school. (*We try to keep costs below £10.50 where transport costs allow*)
- This maximum contribution would only be requested **once per year per class**. School would at all times seek to avoid activities and charges for Year 5 and Year 6 classes as these year groups take part in the PGL activities week and the MFL Day-Trip to Europe.
- Where possible all trips for KS2 classes will use public transport which is provided free to schools through the TFL.

It will be made clear to parents that:

- There is no obligation to make such a contribution
- Pupils will not be treated differently according to whether or not their parents made a contribution
- No pupil will be excluded from a trip because of non-payment
- If the total of voluntary contributions is less than the actual cost, and if the difference is too great, the trip may be cancelled for all pupils
- Where places on a trip are limited, they will be offered strictly on first come, first served basis
- Families experiencing extreme hardship/financial difficulties will be supported through discussions with the Head Teacher or Deputy Head Teacher
- On some occasions additional parent places may be available and these are charged for at cost price of the place.

## **2.1 Other Voluntary Contributions**

The school will ask for voluntary contributions to be made towards the costs of:

- Special events (drama productions, workshops, guest speakers etc) that enhance and enrich the learning experiences of pupils. (Up to £8.50 per event)
- Snack time/cooking activities in EYFS classes (Nursery and Reception) and the ARP unit which are outside of curriculum work. (£5 per term in these classes)
- School council organised events (e.g. non-uniform days, sponsored activities, fundraising etc.) (Up to £3.00)
- After-school clubs – for maintaining the upkeep of equipment and resources. (£8.50 per term)

## **2.2 Year 6 Residential Trip**

There is an annual Year 6 residential trip to an off-site activity centre. All pupils are expected to attend and participate fully in this activity. The governing body (recognising the value of this learning experience) has agreed for approximately 55% of the 'Board and Lodging' cost to be funded by the school each year.

Parents/carers are asked to contribute the remaining 45% of the cost. The school works with families who have financial difficulties. No child would be denied the opportunity to participate in the residential trip due to financial difficulties.

## **2.3 Year 5 European Day-Trip**

Currently an annual day trip to Europe (Belgium or France) takes place to enrich the MFL (Modern Foreign Languages) curriculum. The current contribution for this activity is up to £43.75 (2020) with the school subsidising the balance.

## **2.4 Optional Poland Trip**

Where the school offers an optional exchange visit to our partner school in Poland this is trip that families will opt in to. The school will be able to subsidise some of the costs related to insurance cover, transport to and from airport and accommodation. The maximum requested contribution for a 3 day visit would be up £225 per pupil (depending on external funding sources available)
