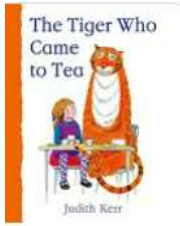
Reception Knowledge Web

Topic: 'Food, Families and Celebrations'

Term: Autumn 2

Core Texts

We will be exploring these texts this term.



'Star Words'

Key vocabulary that we will be learning and using this term.

Here are some of the words we will be learning. Try to use them at home!

Handwriting

We are working towards holding our pencil with a '**tripod' grip** (index finger on top of the pencil).

We will start to learn how to form the following 'Curly Caterpillar (curved) Letters' correctly.

Letter Sounds and Tricky Words (Phonics)

Tricky Words for Reading

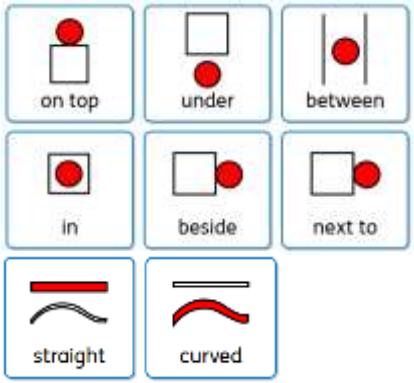
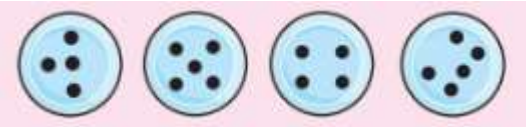
I	into

Maths



Subtising

We are learning to recognise quantities of objects without having to always count them.



Key Questions

How many can you see?

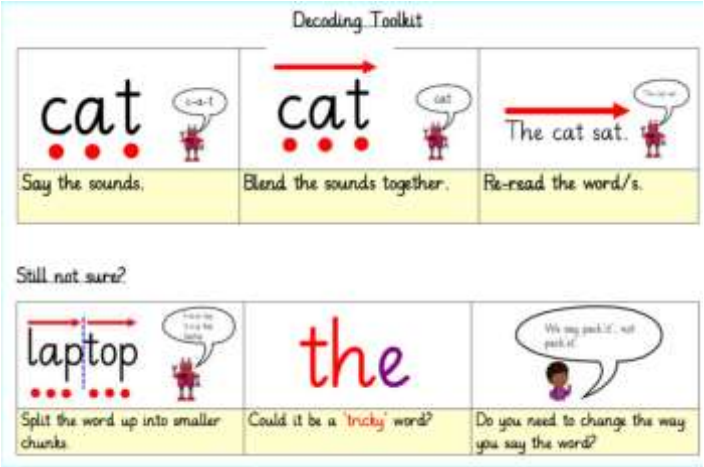
If you would like more information about supporting your child at home, please speak to your child's class teacher and/or visit the 'Curriculum' section of our school website at www.beaconsfieldprimary.org.uk

Home Learning for Autumn 2

These are the activities that we would like your child to do at home this term.

Daily Reading

Your child should read to an adult every day! The more your child practises reading, the easier they will find it.



These prompts can help your child when they get stuck on reading words.

Did you know that a child needs to see a word at least seven times before they begin to recognise it?

Counting

Count numbers of objects you can see around you, saying one number for each thing.

Phonics Packs

Use the grapheme (letter) cards in your child's Phonics Home Learning to help them learn the sounds each letter makes and read/spell words that contain them.

Further instructions can be found inside the pack.

Ready, Steady, Read!

Incorporate a Bedtime Story into your routine using your child's 'Ready, Steady, Read' book.

Weekly Oracy Talk Task

Every FRIDAY, your child will bring home their weekly 'Oracy Talk Task' which contains a topic for you to discuss with your child and some key words and phrases to support them.

Please set aside some quality time to talk together as a family.

Oral Hygiene

Ensure your child brushes their teeth twice a day and limits sugary snacks and juice!
