

Mrs Baldeep Kaur
Co-Opted Governor

I grew up in Ilford, Essex and lived there until my late 20s with spells away from home for university and work. I completed my undergraduate degree in Social and Political Sciences at the University of Cambridge before joining the University of Warwick to complete my PGCE in Religious Studies (secondary). I started my teaching career in 2017 in the secondary school I had attended and then went on to teach in Hong Kong for two years. Upon my return I have taught in East London and Slough. I moved to Southall in 2013 when I married my husband who has spent most of his life in vibrant the Southall community.

I am currently a secondary school teacher specialising in religious studies and psychology. I have previously held the roles of Head of Sixth Form, Deputy Head of Year 7 and Head of Careers. I have a keen interest in transition points in a child's education journey. This has become even more important to me since I have had my two children with my eldest soon to start school in 2020.

I became a Co-Opted Governor in March 2018 because I wanted to be involved in the exciting journey Beaconsfield Primary School was on and believe active community involvement is key to supporting successful pupils. The school team and the pupils work incredibly hard and continually strive for excellence. They deserve the support from the local community and for their success to be showcased.
