Dear Parents/Carers,

Re: Vaccine Clinic Sessions – Beaconsfield Primary School

The coronavirus (COVID-19) vaccines developed by Pfizer-BioNTech, Oxford-AstraZeneca and Moderna have been approved for use in the UK. If you are offered a vaccine, please make sure you get it - vaccines offer the best protection for you and your family against COVID-19.

The COVID-19 vaccine is now available for everyone aged 12 or over. If you are [aged 12 or over](#), you can walk-up to CP House in Ealing or selected local pharmacies and get your vaccine or you can make a booking on the [NHS website](#).

You do not need to wait to be contacted. The COVID-19 vaccination is also being offered to 5 to 11 year olds as a lower dose.

Throughout May, there are dedicated pop-up vaccination clinics in Ealing or you can make a booking on the [NHS website](#).

Getting your vaccine

It has never been easier to get your vaccine with residents able to walk-up or book at a number of pharmacies and centres in the borough. We recommend that you book in order to guarantee a jab, but walk-ups are available at all centres. Book your appointment at CP House (W5 5TL) on the government portal <https://www.nhs.uk/conditions/coronavirus-covid-19/coronavirus-vaccination/book-coronavirus-vaccination/> Open daily, 8:00am – 8:00pm.

Yours sincerely,
